The ship Manhattan on Friday brought 400 Mormons, destined for Salt Lake. The Tribune's Galveston special 82.78: Since the opinion of Attorney general Stanbery has been | Maximilian promulgated, the rebel spirit of the South has gained renewed strength. Mayor Haviland, removed by General Griffen, refuses to recognize military authority in the matter. During the war the robel Legislature of Texas ordered a sweeping prisoners there for a long time, confiscation of all property belonging to loyal men. Over \$60,000 worth of property was seized in this manner and sold. The rebel records do not show session in this city, and have agreed upon the gold the names of the purchasers, and immense sums were abstracted by the States Receivers. Oliver Cromwell's confiscations in Ireland did not equal

this in extent, and General Griffen had beeen ordered to probe this huge spoliation to the bottom. A TRIUMPH .- The Radicals have carried Washington, electing the city ticket and a majority of the Conneil. The negroes voted almost unanimously with the Radicals, and to their efforts may this victory over the rebels of the capital be ascribed So it will be everywhere in the Southern States where the colored men are protected in their rights

BANKEUPT Law .- The Bankrupt Law went into operation on the first day of June. Under it, imrisonment for debt ceases throughout all the states and Territories. By it all stay laws, preences, voluntary agreements, and secret attach ments are set aside. Five bundred dollars worth THE PRESIDENT'S RECEPTION IN BOSTON-The

President was received by a military escort near the city, and was met by a delegation of the city authorities. Salutes were fired, and the thousands assembled cheered him repeatedly. Three regiments of infantry, a battalion of cavalry and a full company of marines were paraded in fine waiting mational festival of Free Italy two weeks ago. to receive the President. The streets and windows were densely filled with spectators. The Presi dent was escerted to the Tremont House, where the Mayor and prominent citizens paid their res pects. Governor Bullock was introduced, and made a brief speech welcoming the President to Massachusetts. He said : "Our citizens desire to manifest in every possible manner their respect for those representing the National American Union. Many of your predecessors have visited New England from time to time. Your visit, like theirs excites our devotion to the Union of these States and respects for those who, in official position represent the Government of the whole country. I trust you will prolong your stay in Massachusetts sufficiently to enable its citizens to manifest their high regard for your office and for you personally The President, in reply, expressed thanks for the welcome extended to him. He referred to the history of Massachusetts in connection with the to receive such a welcome on visiting Massachuthen introduced his staff to the President and Secctury Seward. The party were afterward shown

Catholic world to the Pope's allocution. The A GREAT TRILLER. Little Phil. Shoridan has just had a great triumph. The New York Times and both of the President's organs published in Washington demanded his instant removal for some act of omission or commission relating to gestration in Louisiana. Sheridan, however, did not forego his own opinions on that account, but held to them with tonneity, and he was not removed. Congress met, and the first thing the popmar branch did was to indorse him almost by a unanimous vote, and now the Judiciary Committee of the Sonate propose a bill approving all be did and relieving him hereafter from responsibility to the President for anything he may do as such commander. Of course, this hill applies to all commanders, but if it were not for Sheridan, no. such action would have been dreamed of.
